Re: GCI Communication Corp. Funding Year 2018 and 2019 Cost Models for Satellite and TERRA Services; *Promoting Telehealth and Telemedicine in Rural America*, WC Docket No. 17-310 – FY 2018 and 2019 Rural Rates

Dear Ms. Dortch,

GCI Communication Corp. (“GCI”) hereby submits an erratum for its filing of June 28, 2019 in which it submitted cost models to the Wireline Competition Bureau (“Bureau”) for the Rural Healthcare (RHC) Program Funding Year (“FY”) 2018 and 2019 interstate services over GCI’s TERRA and Satellite networks.<sup>1</sup> In this correction, Exhibit E, which had erroneously contained revised Satellite rates for FY 2018, has been resubmitted to contain the correct attachment of its revised TERRA rates for FY 2018. This replaces in its entirety the prior filed Exhibit E. Only the corrected Exhibit E is attached in this erratum.

This erratum is subject to a request for confidential treatment on the same grounds as the original June 28, 2019 filing.

Should you have further questions or require additional information in order to grant the requested confidentiality treatment, please contact me immediately so that I can provide further assistance to resolve this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "John T. Nakahata".

John T. Nakahata  
*Counsel to GCI Communication Corp.*
